

Is your conservatory

too **HOT** in summer or too **COLD** in winter?

*Is it too **NOISY** in rainy weather?*

*Is there too much **GLARE** in direct sunlight?*

*Does it suffer from build up of airborne **DIRT**?*

*Is it a **WASTE** of valuable living space?*

Save Energy, Conserve Heat.

The Supalite Roof System has been designed to be installed as a retro fit onto existing conservatory window frames, converting your existing conservatory into a usable all year round Sunroom.

We can also provide you with a brand new Sunroom from the beginning, including the window frames and baseworks.

- **FULLY STRUCTURAL FRAME CONNECTOR SYSTEM** for when new windows and doors are to be fitted to a new or existing building work.
- **A CHOICE** of five tile colours and natural effect slate **available in four colours.**
- **LARGE ROOF VENTS** available to allow maximum light.
- **CHOICE** of internal ceiling finishes (eg: plaster or t&g timber effects).
- **EASY TO INSTALL** on to existing window frames.
- **COLOUR MATCHING** range of fascias, soffits and gutters to suit your choice of windows frames.
- **TILES TRIED AND TESTED** for many years in USA, Canada and Australia, giving total peace of mind in extreme weather conditions.
